

Memory Tree Lights of Love

Memories are particularly strong around the holiday season. We all spend so much time doing what matters the most- enjoying time with the ones that we love and celebrating love, gratitude, youth, and much, much more.

If you would like to celebrate the memory of a loved one that has passed, consider sponsoring a bulb on the Memory Tree. The Memory Tree stands tall at the NECA IBEW Holiday Fantasy in Lights at Olin-Turville Park each holiday season. It is perched a top the hill and keeps watch over the park as thousands of visitors drive through making more memories together.

If you sponsor a bulb, your loved one will be honored at this long standing Madison tradition. Loved ones will be listed on a lighted banner near the Memory Tree.
